Will Use Publication to Increase Brand Awareness

OREM, Utah--(BUSINESS WIRE)--ForeverGreen Corp. (OTCBB:[FVRG - News](#)), a manufacturer and distributor of all natural whole foods, today announced the company is currently featured in the May 2008 issue of Your Business AT HOME Magazine.

Your Business AT HOME Magazine focuses on the growing direct sales industry with in depth coverage, expert advice, and company reviews. The magazine is currently on the shelves of Barnes & Noble, Staples, Borders, Hastings, Books-A-Million, and B. Dalton.

The May issue predominantly features ForeverGreen throughout the magazine with features on the company's core product FrequenSea, its newly released energy drink ElectriFire, the success of the company's recent entry into Mexico, and personal experiences of distributors.

In addition, industry experts and advisors including, Stephen R. Covey of the highly successful 7 Habits of Highly Effective People book series and Robert Kiyosaki, best selling author of Rich Dad, Poor Dad, deliver valuable business advice to readers.

ForeverGreen has not only welcomed this publication but will incorporate the magazine in its introductory sales materials and marketing kits. "This publication is the ultimate business building tool for our company and our distributors," stated ForeverGreen COO, Chris Patterson. "The extensive features on ForeverGreen are completely devoted to our story, message, products, opportunity, and people. Because of this, we now have a great vehicle to increase awareness and present the company in its entirety. We are very thankful for this coverage and know this will dramatically build our overall sales and distribution."
