

ForeverGreen Announces Three Consecutive Months of Record Revenues

Wednesday June 6, 9:16 am ET

OREM, Utah--(BUSINESS WIRE)--ForeverGreen Worldwide Corporation (OTCBB:[FVRG](#) - [News](#)) a manufacturer and distributor of all natural whole foods, today announced the company has set record revenues for the past three consecutive months.

Resulting from new growth initiatives and recently launched programs, ForeverGreen has realized continuing sales growth and has set revenue records in March, April and May. The increase in sales is being derived from domestic operations as the Jump Start Program and new distributor tools are helping members expand their business.

ForeverGreen has also seen a significant increase in leaders from other corporations joining the company. These leaders often bring a sizable distribution base and immediately create a viable sales organization for the company.

"Our second quarter is building upon the success we recognized during the first quarter of this year," stated ForeverGreen's CEO Ron Williams.

"Our current growth momentum is coming from our North American operations at a time when our international markets are on the verge of contributing significant revenues for the second half of this year. We are on pace to report another record quarter with increased profitability for the second quarter of 2007."

ForeverGreen Worldwide Corporation develops, manufactures and distributes an expansive line of all natural products to North America, Australia, Europe, and Asia. Offerings include FrequenSea(TM) a whole food beverage, Pulse(TM) a whole food snack or meal replacement, 24k Chocolate®, and an entire catalog of meals, snacks, personal care items and essential oils.
