

ForeverGreen's Jump Start Program an Immediate Success

Wednesday March 28, 9:15 am ET

OREM, Utah--(BUSINESS WIRE)--ForeverGreen Worldwide Corporation (OTCBB:[FVRG](#) - [News](#)) a manufacturer and distributor of all natural whole foods, today announced the company's recently launched 'Jump Start' business program has been widely successful in attracting new customers and distributors to ForeverGreen.

"It is very important for any entrepreneur to get a fast start when beginning a new business and our Jump Start program does just that," stated ForeverGreen's V.P. of Business Development, Rick Redford. "This program gives the new distributors the tools, inventory, and fast rewards to not only start their business but immediately see the financial benefits."

The Jump Start program rewards new distributors who expand their business to new customers or fellow members. The company has introduced four Jump Start packs all of which include the Whole Food Tonic with Marine Phytoplankton FrequenSea®, 15 individual 1 oz. FrequenSea Starter Shot Samples to share with new customers, as well as informative DVDs and brochures.

Mr. Redford continued, "A great advantage of this program is the versatility behind each of the Jump Start packs. The four packs are designed to appeal to people at every level of experience, whether it's a person who has never ran a business or a polished entrepreneur looking to maximize their efforts. The response from our field has been overwhelming and our distributors are showing great enthusiasm for this program. Needless to say, our management team is very excited about the impact this will have for our distributors and our business model."

ForeverGreen will launch the Jump Start program in its international markets on April 1st and anticipates a similar response abroad. To learn more about this program please visit the company's website, www.forevergreen.org.

ForeverGreen Worldwide Corporation develops, manufactures and distributes an expansive line of all natural products to North America, Australia, Europe, and Asia. Offerings include FrequenSea(TM) a whole food beverage, Pulse(TM) a whole food snack or meal replacement, 24k Chocolate®, and an entire catalog of meals, snacks, personal care items and essential oils.
