## Ingredients

Purified Water, Organic Gum Arabic, Organic Rosemary Antioxidant, Proprietary Blend of Astaxanthin, Organic Ginger, Orange, and Sweet Lime Extracts.

## Benefits from exclusive AMP technology

ForeverGreen™ uses an exclusive, proprietary process that allows whole plant concentrates to become water-soluble making them instantly bio-available in the body. This process is called Aqueous Molecular Partitioning (AMP). Our unique process opens new frontiers of exploration in nature's vast health benefits because it renders virtually all of the plant water-soluble.

## Salad Dressings

**What you will need:** 1 Cup of Water, 2 Tbs. Fresh Lemon or Lime Juice, 3-4 Tbs. Sesame or Flax Seed oil, 1 Cup Raw Sunflower Seeds, 2 Tbs. Yacon, 3-4 Tbs. Soy Sauce, 1/4 tsp, Preventatives-Ginger, 1/4 tsp, Preventatives-Garlic, Red Dragon.

**Directions:** Begin putting the water into the blender along with the sunflower seeds. Next, add the lemon/lime juice, sesame oil, Yacon syrup and soy sauce into the blender. Add Preventatives-Ginger, Garlic and a very small squirt of the Red Dragon into the mixture. Blend of high for 60 seconds and serve with any Asian style salad.

**May we suggest to use with:** Yacon, Green Dragon, Preventatives, Rainmaker.
