

## White Dragon - Net Wt 1.76 oz

Create a spicy, immune-supporting drink with White Dragon. The White Dragon is the symbol of full health and a higher order of well-being. During the plagues of the 14th and 15th centuries, spice traders were able to rob the sick and deceased and remain in full health. Bring all the nutritional properties of this powerful anti-microbial blend of plant-based spices inside your body on a daily basis in your water, tea, or recipes. You'll feel the warming, immune supporting power as the cinnamon, cloves, and nutmeg spread instantly through your body.

## Ingredients

Purified Water, Organic Gum Arabic, Organic Rosemary Antioxidant. Proprietary Blend of Whole Plant Botanical Extracts.

## Benefits from exclusive AMP technology

ForeverGreen™ uses an exclusive, proprietary process that allows whole plant concentrates to become water-soluble making them instantly bio-available in the body. This process is called Aqueous Molecular Partitioning (AMP). Our unique process opens new frontiers of exploration in nature's vast health benefits because it renders virtually all of the plant water-soluble.

### Fruit Salad

**What you will need:** Yacon, White Dragon, Assorted Fruits: (grapes, watermelon, cantaloupe, oranges, cherries, strawberries, etc.)

**Directions:** Wash and cut the fruit and then put into a bowl. Shake or stir the fruit, so that it is mixed. Upon serving, put the fruit in a bowl or plate and drizzle Yacon and White Dragon on top of the fruit.

### Ginger/White Dragon Cider

**What you will need:** 8 oz of organic apple juice, 1 squirt of White Dragon 1/16 tsp of Preventatives-Ginger.

Stir White Dragon and Preventatives-Ginger into apple juice. Serve it hot or cold.
