

Balance - 8 oz

Mineral-fortified multipurpose gel for daily face, skin, and hair use. This mineral-fortified multipurpose gel is made from all-natural ingredients. It is pH balanced and toxin free. Balance is made with a proprietary blend of special oxygenated catalyst water, giving it remarkable skin-restoring properties, and making it ideal for daily use on face, skin, and hair. Use it after tane in the sun, as a moisturizer, for children's sensitive skin, and more.

Ingredients:

Purified Water, Glycerin (Vegetable), Stabilized Concentrated Oxygenated Molecules, Ionic Mineral Blend, Vegetable Cellulose, Rose Essence, Emollient from Vegetable Glycerin.

Honor Your Health by Honoring Your Skin

This product is 100 percent biodegradable. It is naïve to think we can spread synthetic chemicals on our skin, the largest living organ of the body, day after day, and not suffer the potential consequences! The effectiveness of patches that allow medications to quickly absorb through the skin should be a warning to us that much of what we put on our skin ends up in our bloodstream. Numerous name-brand personal care products use ingredients that are also found in anti-freeze and engine degreasers, including DEA, a known carcinogen found in more than 600 home and personal care products including soaps, shampoos, and lotions. From skin contact alone the body can absorb and store potentially toxic chemicals throughout the body.

The Personal Transformation™ line was created with the same high standards we apply to all of our products:

- No synthetic chemicals or fake preservatives.
- Formulated using clean and/or organic whole-food, plants, fruits, herbs, and essential oils.
- More effective than toxic, commercial, store-bought personal care items.
- Safe for all members of the family, from infants to the elderly.

For the Outdoors

Sunburn Relief

What you will need:

Quench, Balance

Directions: Next time you find yourself a little red from the sun use Quench or Balance on your sunburn. The natural ingredients in each of these products will nourish your skin back to health.
