

Shine - 10 ml.

Shine is an all-natural toothpaste alternative created from a proprietary blend of grapeseed, spearmint, peppermint, clove and cinnamon oils. Replace your tube of toothpaste with all-natural Shine. This blend of oils is wonderfully nutritive in nature and provides an avenue for the two mint oils to help counteract plaque and tartar and gently remove them. Shine is naturally antiseptic and antibacterial. Just a few drops on your toothbrush will make you a believer!
