

Reid School - Service Field Trip

On April 26th, Craig Smith, Lynne Williams, Carol Maltesberger, Heather Williams, and I were invited to speak to a 6th Grade class about Community Service. We showed up and had a 20 minute discussion and demonstration on Service. The next day, we took them on a "Community Service Field Trip" to an Elderly Care Center (Evergreen Care for those of you that were at the Convention Stands) in SLC. They performed a musical program for the residents and then conversed with them while making Maraca's. Lynne Williams played all of the old favorites on the piano while many sang and danced the afternoon away. It was fun not only to see the Residents have a blast, but the looks on the kid's faces were priceless.

Craig and I are looking forward to approaching the various School Districts this fall instituting Service Field Trips throughout Utah and Salt Lake Counties. Although I think it is a no-brainer, keep your fingers crossed!!!
